Lymphoedema Lipoedema Masterclass

Date to be confirmed - 9am start

Location - Melbourne

A 2 day extensive training program designed for therapists who have completed their lymphoedema training and looking for some extra mentorship. If you have completed a lymphoedema accredited training course and you would like to build on your clinical skills this 2 day practical training workshop will provide you with the confidence to commence practicing either in a public or private setting. This workshop will provide you with the education and practical skills needed to support both lymphoedema and lipoedema patients. This workshop will not involve any theory. This training is hands on, treating and managing lymphoedema and lipoedema. Multiple patients will be in attendance over the 2 days. Training will include;

- Assessments/treatments - on patients
- Treatment options (bandaging, wraps, stockings)
- Garment measuring and fitting
- Troubleshooting the more challenging limb shape
- SIPC use (when and why)

Certificate of attendance will be issued on completion. This workshop is for therapists who have completed a certified lymphoedema training course endorsed by the Australasian Lymphology Association.

Course Fee: $ 1200 +GST
